

LOGIC ODYSSEY

ZIO-Style Logic & Problem-Solving Competition

Duration: 1.5 Hours

Format: Individual, Pen-and-Paper

Number of Questions: 4–6

Organized by: C3 – Competitive Coding Club, IIT (ISM) Dhanbad

1. Competition Format

1. Logic Odyssey is a **ZIO-style logical reasoning and problem-solving competition**.
2. The competition will consist of **4–6 challenging questions**.
3. Participants will have **90 minutes** to complete the competition.
4. Questions will test logical reasoning, mathematical thinking, pattern recognition, analytical ability, and problem-solving skills.
5. **No programming or coding is required.**
6. For familiarity with the types and difficulty of problems, participants may refer to previous years' questions (PYQs) from the IARCS archive.

2. Participation

1. The competition will be conducted as an **individual competition**.
2. Each participant must register using their own details.
3. A participant may participate only once.

3. Competition Rules

1. Participants must attempt the competition **independently**.
2. Discussion or collaboration with other participants is not allowed during the competition.
3. Participants must carefully follow all instructions given on the question paper.
4. Answers must be submitted in the manner specified by the organizers.
5. No answers or modifications will be accepted after the official end time.

4. Allowed Resources

Participants may use:

- Rough sheets provided by the organizers.
- Pen/pencil.
- **Calculators.**

The following are **not permitted**:

- Mobile phones or other electronic devices, except where explicitly allowed.
- Internet or external websites.
- Generative AI tools.
- Notes, books, or any other external material.
- Communication with other participants or external persons.

5. Scoring & Ranking

1. Each question will carry marks as specified on the question paper.
2. Participants will be ranked primarily based on their **total marks obtained**.
3. **No negative marking** will be applied unless explicitly mentioned in the question paper.
4. In case of a tie in total marks, the participant who **submits their answer sheet earlier** will be ranked higher.
5. If the tie still remains, the participant with **more questions completely solved** will be ranked higher.
6. If a tie remains after all stated criteria, the final decision will be made by the organizers.

6. Conduct

1. Participants must maintain proper discipline throughout the competition.
2. Sharing answers, solutions, hints, or any competition-related information is prohibited.
3. Any form of cheating, impersonation, or unauthorized assistance may result in disqualification.

7. Timing

1. Participants should report to the venue before the scheduled start time.
2. The competition will begin at the officially announced time.
3. The total duration is **90 minutes**.
4. No additional time will normally be provided for late arrival.

8. Disqualification

A participant may be disqualified for:

- Cheating or attempting to copy another participant's work.
- Communicating with other participants.
- Using prohibited resources or devices.
- Receiving unauthorized assistance.
- Impersonation.
- Any other violation of the competition rules.

9. Organizers' Decision

The decisions of the organizers regarding **scoring, tie-breaking, rule interpretation, disputes, and disqualification** will be final and binding.

The organizers reserve the right to make reasonable changes to the rules in case of unforeseen circumstances. Any significant changes will be communicated to participants.

Think. Reason. Solve.

Good Luck!
